

# The Son and Reins Ranch

Aug 2023

Has it really been over 2 months since I was saying "Summer has only just begun..." And here it is, middle of August and our summer program is winding down! Wow!

It's been a busy summer with multiple equine sessions for over 20 individuals, 6 couples and 8 families, along with women's fellowship gatherings and our well attended cookout last month!

We'd like to share a couple testimonies from this summer, as well as photos from the "Food, Fun and Finger Painting" event.

Also, over the years, God has given me (Sharron) well over 100 spiritual analogies that go with every single thing we do with the horses... I'd like to start sharing some of them! In this letter, be sure to scroll to the end to read how we share Truths about Jesus while mucking manure!! :-)

Also keep scrolling down for your invitation to our next family friendly event:  
**Friday the 15th of Sept, "Movie, Mocktails and Ministry!"**

**Our "Food, Fun and Finger Painting" event was well attended and enjoyed by all, including the horses!**  
(next time the grills will be outside so the barn doesn't get so smokey! :-)

## UPCOMING EVENT "Movie, Mocktails and Ministry"

Your whole family is invited to join us for a movie night in the barn!

We'll be watching "*Spirit, Stallion of the Cimarron*", a movie that both kids and adults can enjoy, while sipping on tasty mocktails!

Afterwards we'll be discussing spiritual analogies that can be gleaned from the movie.

When: Friday 15 September, 6-830pm

Where: Our Franktown location

Please RSVP to Sharron by email or text:

## Testimonies from a few summer participants

"At the beginning of the summer I had no idea how much my life would change in such a short amount of time. Who knew how much horses could draw out of a person? I mean seriously, wow. I am still processing all of it, but a couple friends and co-workers have already noticed a change in me, even in how I walk, they tell me! Crazy! I am so thankful, and so excited to continue in the fall program!" ~ Ann

"This was my second summer doing sessions at the Ranch. I had
