

**Dec. 2023**

**It's hard to believe we're fast approaching 2024!! That sounds so futuristic!!**

**From our herd to yours, we hope you had a wonderful Christmas!**

**As a new year approaches, we can experience a myriad of emotions. From excitement and feelings of a fresh start, to anxiety from the uncertainty of what the new year might bring, to grief from starting a new year without a loved one, etc. Please remember we're here and we would love to have the opportunity to walk alongside you.**

**Whether you're local and would like to do some sessions with us, or you'd like to join us for women's fellowship, or you'd like to just come out and have some horse time and receive prayer...**

**Or if you aren't local, we would still love to hear from you and have the opportunity to journey with you in prayer!**

**Please don't hesitate to contact us!**

**Two quick updates:**

**1) I (Sharron) will be having back surgery on the 9th of January. I first injured my back 30 years ago and now, with the work I do and the wear and tear, I can no longer delay surgery. I am looking forward to being in significantly less pain in time for our busy season!! I'll very much appreciate your prayers!**

**\*\* There will be no women's fellowship in January but we will resume on the 10th of February!**

**2) We still need to raise \$8000 by the end of the year, so if you will please consider making a special year-end donation, that'd be a huge blessing! We very much value and appreciate your partnership in ministry!!**

**Our hoofs and woofs want to wish you a Happy New Year!!**
