

## So much to give thanks for...

Nov. 2023

We had a very busy fall season and have SO much to be thankful for!  
Life-changing sessions...  
Fall Festivities...  
Women's fellowship...

We are most thankful for God's continued presence, provision and favor on this ministry! He never ceases to amaze us! We thought you might like to hear directly from a few of our participants, as they express their own gratitude from their time here...

I am so thankful as I look back on the past 12 months and realize how my life has changed. How I have changed. Healed. Grown. My sessions at the Ranch had such a profound impact on me that I'm considering volunteering next year so I can help others on their own journey! ~Andi

For those of you who support this ministry financially, I am so thankful! When I started sessions this fall, I was contemplating suicide. I felt so hopeless. A friend brought me to the Ranch, and my very first time there, I could feel something different. I didn't know what it was but I knew I wanted more. So the next week I went back by myself. I realized then what I was feeling, and it was HOPE. ~Deb

My experience at the Ranch has impacted not just me, but my entire family and even several of my friends, just by me sharing with them about my sessions with the horses. It is just incredible how it works. How effective and applicable it all is. God always shows up, and you can tell He's whispering in Sharron's ear and the horse's, working to bring out just what I needed in each session, which only He would've known! ~Roo

Thank you for opening your home and property in the way that you do! It was beautiful, festive, warm, loving, welcoming, and inviting along with great food and drink!! The prayer baskets were amazing!! ~Damian

For anybody who is struggling and wants help, I highly recommend this ministry! The atmosphere at the Ranch is peaceful and healing in itself, and then add the horses, dogs, the people, and the equine-sessions, and oh my gosh, there just aren't words! I am beyond thankful for my friend who encouraged me to go the first time, and so very thankful for each and every person who makes this opportunity possible!! ~K.A.
