

March 2024

It's springtime in the Rockies, which means flip flops and snow!

(seriously, 3' of snow one day, 70 degrees the next!)

Happenings at the Ranch...

there's never a dull moment!

(between the dates below, we'll be having
a number of individual sessions as weather permits)

22 March -- We had our first group session of the year! A staff team from a women's sobriety house came for a 3 hour session. The work they do is so challenging, vital, exhausting and can be incredibly rewarding as they see lives changed. We were honored to be able to invest in them so they can in turn invest in others.

13 April -- Unfortunately we will NOT be able to have women's fellowship this day. :-)

20 April -- We'll be having Jason and Lou Ann's wedding in our barn! You may remember Lou Ann's story? She is a licensed therapist, had been in talk therapy for 30 years to work through some of her own issues, and in just a couple sessions at the Ranch with Boaz the horse, God brought a major breakthrough that brought healing... which then led to Lou Ann finding her own Boaz, a future husband! Jason proposed to Lou Ann at the foot of the cross last fall, and now they'll be having their wedding here! SUCH a blessing!!

22 April -- Sharron's back surgery! Thank you so much for all the people who have signed up to help with horse care afterwards!! And thank you for your prayers... I do have some anxiety when I think about the strict limitations I'll have for 6-8 months afterwards.

11 May, 1-3pm -- Women's Fellowship
Please RSVP to Sharron via text or email: 720.237.1235;

1 June -- We'll be having our annual Prayer Gathering to kick off the summer season!

Participant Testimony...

I asked Sharron if I could write a thank you to those of you who support this ministry financially. I wish I could sit down with you and share how much my life has been impacted for the better through my sessions at the Ranch. I was not in a position to be able to pay for my sessions and I was moved to tears when Sharron told me you had already taken care of the cost for me!

I was at the end of my rope when I first came to the Ranch. I honestly don't even remember how I found this ministry, and
