COLORADO GIVES DAY
*is **TODAY!***

CO Gives Day is the day when we all come together to support the nonprofits we love the most!

This year, when you're choosing which nonprofits you'll support, we ask you to please consider giving to The Son and Reins Ranch! LIVES ARE BEING CHANGED, and your prayers and support are part of making this possible!

"My friend shared with me about sessions at the ranch. She would tell me how profound and life-changing her sessions were,
For a good 3 months, I just listened and thought, "Yeah, yeah. Sure."

Then the bottom fell out of my world, and I was broken and felt lost. Without giving a thought about the ranch, I just naturally reached out to my friend for help and support. I have to admit, when she brought up the ranch sessions again, I was annoyed and thought, "Here we go again."

It took another 2 weeks before I asked my friend to have Sharron contact me. I really expected nothing. I just knew I needed help and had nothing to lose.
Well, OH. MY. GOSH.

There aren't words that can adequately express JUST HOW MUCH I was impacted by my time at the ranch. Every time I went for a session, I left feeling stronger, more whole, seen, heard. I found the strength and confidence I needed to start picking up the pieces of my shattered life, and most importantly, I learned that I don't have to do it on my own!

I was introduced to God in such a personal and relevant way. I am literally a new, a renewed person, living my life as my true self and in my true purpose and potential. I've experienced so much more than I ever would've believed possible.

Thank you to everybody who supports this ministry!
I don't know where I'd be otherwise.
Honestly."
