

July 2025

**We had such a wonderful time celebrating the ministry's birthday, and God's Victory, Provision and Healing Power these past 10 years!**

We were blessed to celebrate and share with the 170 people who were in attendance! Our bodies feasted on hamburgers, hotdogs, cake and cupcakes, and our hearts, minds and spirits feasted on God's transforming power as we heard testimonies from some of our participants and volunteers!

For those of you who couldn't be there with us in person, videos of the testimonies will soon be posted on our YouTube Channel.

I also shared the numerous ways the enemy has tried to sabotage me personally, as well as the ministry as a whole. From personal loss to my truck brakes going out when I was trailering horses, to me convulsing on metal stairs that had become electrified.... to 5 years of false accusations, threats, harassment and bullying by our former neighbor, to covid...

**Yet, by God's power, grace and will, here I stand, and here the ministry continues to grow and thrive!**

ALL of His creation will rejoice, and that is sure true...

**Even Kat was singing HIS praises!! 🎵**

**And Jimmy was full of the joy of anticipation!**

**Setting up tables and canopies**

**The beginning of the food line**

**Me (Sharron) sharing our story**

**A packed barn**

**Horse painting**

**Line dancing**

**I hated to cut these cakes**

**Setting up for dessert**

We also covered the foundation in the doorways of our barn with Scripture again! The entire stem wall is filled with verses, so our barn is literally built on the Word of God... in the doorways though, with the traffic and sunlight, the verses fade and need to be revived from time to time. Isn't that true in our lives too, as life happens, sometimes we need to revive Scripture on our hearts!

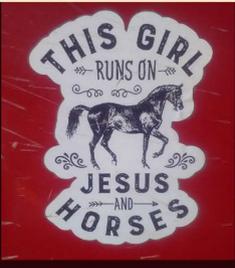

Live music... always a special touch! Thank you, Tom and Michael!

**And a HUGE thank you to everybody who has made a special donation to help us cover additional expenses as the ministry grows!**

**We are just \$2000 away from making our goal of raising \$10,000 in honor of our 10th birthday!**

**So, if you haven't yet given, please prayerfully consider making a special donation to support this ministry and help us reach our goal!**

We would love to hear from you as well! Please let us know if you have any specific prayer requests and praises so we can join with you. And let us know if you're ever in the area and would like to visit. Our herd of people, horses and dogs would all love that! :-)
