

June 2025

So much has been going on leading up to our summer program, so I'll just share a quick recap.... I thought I sent this 2 weeks ago, so that's a bit of an indicator of how crazy busy it's been lol!

Volunteer training was a great, full day! In attendance was a couple who want to do a similar ministry in Nebraska, and another couple who want to do a similar ministry in Peyton CO, along with a couple new volunteers and multiple seasoned volunteers!

Our first ever

TEAM RETREAT

for ministry session leaders!

All but 2 of my session leaders gathered together for a weekend retreat in beautiful Westcliffe CO. From all accounts, it was a time of profound spiritual renewal and team bonding! I'm very thankful for the team God has put together!

The Pines Historic Ranch in Westcliffe gave us an amazing deal to stay there, and it is here that we will be doing monthly EAL sessions for families in the community. More on that in the next letter!

This was the view from right outside the cabin I was staying in, and being honest, at first, I was a little annoyed that the stop sign interfered with the gorgeous view.... until one of my volunteers shared *her* perspective... the stop sign reminds us to stop, pause, and savor the moment! We all need that reminder sometimes, don't we!

All but 2 of the ladies on my team... and we also have 3 men who somehow managed to avoid being in the photo lol

Lou Ann and I even gathered wood for the fire! :-)
