DEBBIE'S POWERFUL AND PERSONAL TESTIMONY...

My first time at the Ranch was for a Women's Fellowship. Sharron had been inviting me for a long time, and I always found an excuse to decline. Finally, I accepted her invitation.

Little did I know, it would be the beginning of my transformation!

I drove out to the Ranch, wasn't quite sure how to get there and pulled off the side of the road. I thought, you know, "just turn around and go home. If you go to the fellowship, you'll just have to work hard to keep your wall up – so your shame doesn't leak out."

At that moment a car pulled up and the woman asked if I was looking for Sharron and the Ranch. I said yes and she said follow me!

Boy, did God have plans for me!

God's love, grace, mercy, faithfulness, hope, redemption flow through Sharron, the horses, dogs and every person involved, and because of this, to my total shock, I found my walls crumbling and tears flowing as I shared part of my story with the group and was met with nothing but love and acceptance!

Mountains are moving in my life after 45 years (my adult life) of living with a shame-based identity.

Other places claim to be emotionally safe, nonjudgmental, no cliques, etc., but The Son and Reins Ranch is the first place that I've actually experienced these things!

The application and relevance that come out of the activities with the horses and processing afterward are immediate. Being there sharing in each other's struggles and perspectives, **I have discovered I am not alone.**

There is power, beauty and truth in the fellowship! And the reflection that takes place after I leave the Ranch just continues to point me to SO many truths. SO many things come out in these activities – SO CLEARLY AND SO UNDENIABLY, messages of God's Truth.

Whatever our background, our experiences, our sin, our past, God has plans for each of us – to live in the freedom of His redemption.

For the first time in my life, I'm living out this truth and experiencing grace-based freedom instead of shame-based bondage.

God's presence is palpable at the Ranch!

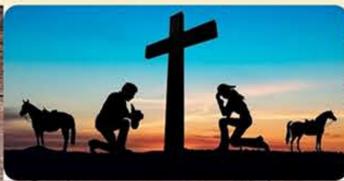

Each time I am at the Ranch, God has a message for me...**chains are being broken!** Everyone and everything associated with this ministry is an eternal blessing.

And I share all this just from attending the monthly Women's Fellowship and spending time with Sharron and the horses. God has already brought SO much healing and hope to my life, and I haven't even started doing regular sessions yet! I'm excited to start sessions this summer though!

If you haven't experienced the Ranch - for an event, or Women's Fellowship, or an equine-assisted learning (EAL) session, or just to come out for a visit, I highly recommend that you do! For me, it has been life changing and life giving!

Thank you to all of you who signed up to pray for our summer participants and leaders! There was a fantastic response, and I am so grateful and encouraged!

Please be prayerfully considering making a special donation to support this ministry! We need \$7500 to reach our \$10,000 goal in honor of our 10th birthday!

These funds will be used to cover additional expenses as the ministry grows and expands; vet care for our aging horse herd; sessions for people who can't afford the fee, increased hay prices, etc.
