June 2026

I can't believe it's almost JULY! So much is happening at the Ranch!

We're piloting a variety of 3-hour long EAL programs. This past Saturday was our first one. It's called Stable Ground and it brought out the main points in the book of Philippians. Sarah led 7 women through various EALs, each pulling out different truths in profound, relevant and personal ways.

Jimmy took a nap but still wanted to be in the center of things lol

The group (including Zoe, the horse!) had to stay on the tarp, they couldn't touch the ground, or they had to start over, and they had to turn the tarp over! It took them multiple tries, and they had to start over multiple times, but they worked through the different challenges (ie- the wind!), worked together, and finally achieved the objective!

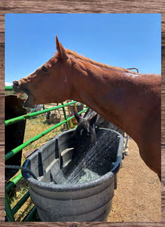
Our first line dancing event was a great success! So much fun, so much laughter, so many left feet (mine being the biggest)!

Sandy is a great teacher, very patient and clear!
Be sure to join us for our next one on Friday the 24th of July, 630-8pm!
I ASSURE you, you do NOT have to have any rhythm or coordination! 😂

On Thursday the 2nd and 16th of July, we're piloting a Girl's EAL group dealing with age specific needs and issues. We have 30 girls coming for 3 1/2 hours. We'll be dividing into two groups; 1 group for the 8-11 year olds and 1 group for the 12-16 year olds. We'll be doing a variety of EAL activities, dealing with issues such as body image, bullying, identity, peer pressure, confidence, etc.

Please pray for the girls who will be participating, as well as their families, and my volunteers and I who will be leading this program!

As I fill their water troughs, the horses enjoy getting cooled off!



## REMEMBERING BOAZ...

I still have more testimonies to share with you, but I'm going to hold off until after summer.

## CONTACT US TODAY!

We would love to hear from you as well! Please let us know if you have any specific prayer requests and praises so we can join with you. And let us know if you're ever in the area and would like to visit. Our herd of people, horses and dogs would all love that! :-)
